

Central Valley High School 2017 Sober Grad

"Sober Grad" is a countywide program sponsored by the California Highway Patrol and the Shasta County Chemical People. These two entities fund all-night graduation parties for our local high schools through the sale of "certificates".

How would you like to have a TAX deduction that helps saves lives and gives you the opportunity to win \$500?

Since the inception in 1985, there has not been a fatality on graduation night in Shasta County.

This program works by students and parents selling certificates to family, friends and local businesses.

The certificates are a "Membership". The purchase price of each certificate is \$100. You may split the certificate among a group of family and friends, or we can do it for you. Partial contributions are greatly appreciated and will buy you part ownership/membership in a certificate. Certificates will be mailed or delivered to you after your cash/check has been received.

Certificate holders will be entered into the drawing for the GRAND PRIZE to be held on Friday, April 28th, 2017. Second and Third place prizes to be drawn as well.

Each participating High School will have a \$100 prize drawing held for a senior that has participated at Sober Grad all night. Each school winner will be eligible to win a GRAND PRIZE.

We are looking forward to having a fun, safe and memorable party for the Class of 2017!! Please help in any way possible, purchase a Certificate and help the Class of 2017 stay safe while they enjoy a well-deserved last hurrah!!

Your donations will help with food, entertainment, prizes and games. If you have any questions please do not hesitate to call 530-941-7355 or e-mail: rback20797@gmail.com

Sincerely,

Renee Back
Sober Grad Treasurer

TAX ID: 68-0027888
